

Senior Design - Spring 2004

EE/CpE 424

Senior Design Tasks – Spring '04

Senior Design Grading – Spring '04

Senior Design Grading Fall '03

Each group's faculty advisor determined 80% of group's grade. Each advisor set criteria appropriate to the project and their policies. For groups I advised, this part of the grade was based on:

Use of appropriate engineering judgment	25%
Appropriate level of effort	25%
Establishing a realistic schedule and adhering to it	25%
Responsiveness to advisor feedback	25%

As course coordinator I determined 20% of grade, based on

Timeliness, completeness of deliverables	20%
Initial project proposal	20%
Presentation	20%
Final project proposal/Component list	20%
Overall Effort	20%
